Verify Your Details: On the KRA's website, enter your PAN and confirm your email and mobile number through an OTP (One Time Password).

Completion: Your KYC details will be updated upon successful verification.

Step-by-step process for KRA validation and guide KRA non-validated

clients on how to complete/validate their KYC. :-

If the Status is KYC “Validated”

If KYC Status is “KYC Validated” then nothing needs to be done,.

KYC On-Hold/Rejected

- The KYC status on the KRA website will show the reason for “KYC On hold” / Rejected status, it could be mobile or email not validated/PAN is not linked with Aadhar / Deficiency in the KYC documents etc.

- You simply have to remediate the reason for KYC On hold/rejected by following the steps given on the KRA website. Once your KYC status changes to registered / Validated you will be all set to start transacting as per the KYC status.
- The steps to resolve any KYC issues are easy and can be done from the comfort of your home. In case of any difficulties, feel free to contact your intermediaries or KRA office / helpline. (available on their website) for further assistance.
